## Dogpatch Winners To Be Chosen In Election Wednesday

The third all-campus election will be held Wednesday, March 20, from 8 a.m. to 5 p.m. in the recreation hall to choose Daisy Mae and Lil' Abner, announced Sandra Clark, chairman of the Elections Committee.

A change in this year's election will have the women voting for Lil' Abner and the men voting for Daisy Mae, Miss Clark said. All students are eligible to vote by presenting their activity cards at the voting booth.

Pictures of the candidates will be displayed today until 5 p.m. on the first floor of the Administration Bldg., and at the election tomorrow.

Candidates from the various housing units are as follows:

### Daisy Mae

Roberta McCall, Lowry; Barb Hart, Prout; Sandra Nissen, Mooney; Jane Fulghum, Treadway; Jo Ann Judson, Lowry; Diane Wilson, Harmon; Janet Fenwick, Alpha Phi; Jane Duchac, Alpha Chi Omega; Susan Disney, Alpha Delta Pi; Linda Druley, Alpha Gamma Delta; Mary Mower, Alpha Xi Delta; Jo Ann Daffron, Gamma Phi Beta; Ann Morrison, Delta Gamma; Sharon Tamblin, Delta Zeta; Annette Wagner, Kappa Delta; Dottie Stratton, Phi Mu; and Delight Beebe, Chi Omega.

### Lil' Abner

George Dillinger, Kohl; Don Brigg, Rodgers; Dave Shriver, Shatzel; Owen Elder, Williams; Terry Woodings, Delta Epsilon; Dale Houston, Delta Tau Delta; Tom Adams, Delta Upsilon; Carl Koepfer, Kappa Sigma; Tim Murnen, Phi Delta Theta; Bob Ferguson, Phi Kappa Psi; Chuck McBee, Pi Kappa Alpha; Roger Schnee, Sigma Nu; Mahlon Rouch, Theta Chi; Herb Moskowitz, Zeta Beta Tau; John Conway, Sigma Phi Epsilon; Rex Leach, Sigma Chi; and Verne Tussing, Phi Kappa Tau.

## ODK Applications Now Ready In Grad Office

Membership applications for Omicron Delta Kappa, men's leadership honorary, are now available in the graduate school office on the second floor of the Administration Bldg., according to Roland Williams, chairman of the Applications Committee.

All men who wish to be considered for membership must submit their completed applications to an active member of ODK no later than Wednesday, April 3.

Men can qualify for membership through leadership and service in at least two of the following fields: scholarship, athletics, social-religious affairs, publications, and speech, music, and dramatic arts.

## Soloists Announced For Concert Tour

Student soloists for the annual spring concert tour by the band have been announced by Roy J. Weger, director of bands.

They include John Gregory, cornet; Charles Lutz and Keith Biler, marimbists; and James George, baritone horn.

Gregory's selection will be "Trumpet in the Night" and George will play "Stars in a Velvet Sky." Lutz and Biler will present a marimba duet, "The Two Imps."

The nine-concert tour, March 25-28, will take the band into the eastern and southern portions of Ohio. Afternoon and evening concerts will be presented at several high schools.

The complete itinerary and the band's program will be released later by Professor Weger.

## Directory Supplement Distribution Under Way

Copies of the Supplement to the University Directory are now being distributed by the Publications and News Service Office, 216 Administration Bldg. Students who live off campus may obtain copies there; other students will receive copies through their residence halls.

Publication of the Supplement was scheduled for last month, but was delayed in printing.

**A BEVY OF BEAUTIES!** These eight women were honored by campus ROTC units at the Military Ball Friday night. They were crowned by Lt. Col. Carl Arnold and Lt. Col. Harry Myers, professors of military sciences and tactics, at intermission. Left to right are Carol Crouse, Pershing Rifles Sponsor; Wanda Aman, Queen of Air Force Honor Guard; Polly Stanley, Queen of Army's First Battalion; Linda Cory, Air Force Group One Queen; Janet Cook, Queen of Army's Second Battalion; Joanne McCoy, Air Force Group Two Queen; Sally Wilson, AROTC Regimental Queen; and Margarita Keller, AFROTC Wing Queen.

## Bus Ad Honor Students To Receive Recognition

Beta Gamma Sigma, national honorary fraternity in business administration, will honor students whose cumulative point average as of Feb. 1, 1957, placed them in the top 15 per cent of their respective class.

A scholarship recognition dinner is planned to honor these students Thursday, March 28, at 5:30, at the First Methodist Church. The ladies of the church will serve the dinner. Melvin Baker, chairman of the board of the National Gypsum Co., will be the speaker.

Beta Gamma Sigma chapters are limited to schools and colleges of business which are members of the American Association of Collegiate Schools of Business. Bowling Green, Epsilon chapter of Ohio, was admitted in May, 1955. Membership is limited to the upper 10 per cent of senior class based on point average and top four per cent of the junior class. Members of the Epsilon chapter are Eugene Watkins, president; Sharon Wills, vice-president; Daniel Duricy, Robert Fleischer, La Mar Hoffman, and James Parker.

The following will also be honored at the supper: Seniors—Ora Allemen, Donald Benjamin, Thomas Bowen, Marjorie Campbell, Terry Emrick, Thomas Fay, Robert Hobart, Ralph Jones, Norman Kaye, Harry Levy, James Parker, Gerald Pfeil, Paul Rappaport, Robert Ryan, Thomas Snide, William Thomas, Ray Weaver, Roland Williams, and Jeffrey Wilson.

### Juniors

Juniors—Ralph Akutagawa, Robert Anderson, Harold Beams, Charles Bunker, Donald Cashen, Richard Cook, Margery D'Amico, Eugene Drummer, Larry Foran, Ralph Fortney, Robert Furnas, Robert Godfrey, Richard Kamieniecki, Rex McGraw, James Metz,

### Sophomores

Sophomores—Linus Brackman, Edward Brodbeck, Alva Crumrine, Thomas Curtis, Eugene Elander, John Garner, Gerald Greenway, Norbert Haag, Eugene Hengstler, David Humbert, Kim Jones, Harry Keplar, Donald Kochert, Robert Lawrence, Stanley Letkowski, Richard Mann, William McMahon, Richard Noblitt, Edward Ricker, Miles Riggs, Richard Schinski, Shirley Schwartz, Daryl Sherman, Cromer Smith, Betty Sneary, Dorothy Stratton, Ralph Stuart, Bruce Styerwald, Donald Thomas, Donald Willard, and Denver Wyse.

### Freshmen

Freshmen—Roger Andrews, Judith Beatty, Harvey Bibicoff, Gary Bennett, Larry Bradford, Edward Carpenter, Larry Coffman, Jerry Cosley, Elisabeth Creighton, Barbara Dale, Roger Davis, Ralph Debeauclair, Robert Dummering, Joann Dyer, Dimitrios Economides, Margaret Enderle, William Ensor, Bernard Erven, Howard Ferguson, Willis Finkbeiner, Robert Finley, Donald Glynn, Lynn Griffith, Roberta Hause, Marie Hobe, Mary Jo Huber, Clara Jackiewicz, Gary

# Constitution Of Alum Group Sent To Graduates, Seniors

## Committee Picked For Commencement Plans

Nine persons were recently named as members of the Steering Committee for Commencement Week End, according to Anne Potoky '56, assistant to the director of Student Life and Services and recently-appointed general chairman of the committee.

This committee, which will plan the week end set aside each year to honor the graduating seniors, includes the senior class officers: Lanny Miles, president; Kip Crawford, vice-president; Sally Steidtmann, secretary; and Herb Hipp, treasurer.

John W. Bunn, director of residential and plant operations; John H. Hepler, instructor in speech; Dr. Elden T. Smith, director of student life and services; and Dr. William McK. Wright, assistant dean of men, are the administrative personnel who will help in the planning of the week end.

## Eleven Women Accept Bids In Open Rushing

Eleven women have accepted bids since the beginning of open rushing, Wednesday, March 13, and twenty-three have registered for rushing, according to Florence Currier, dean of women.

Alpha Delta Pi pledges are Florence Frye, Virginia Spencer, Carol Winbiger, Elizabeth Cissne, Beverly Bokerman, Gay Orthoefer and Betty Price.

Alpha Phi pledged Joan Linderman and Kappa Delta pledged Donna Malott and Sally Smith.

## Grad School To Host Speaker

Dr. Thomas H. Osgood, dean of the school for Advanced Graduate Studies, Michigan State University, will discuss "The Art of Teaching," Thursday, March 21, at 4 p.m. in 140 Overman Hall. The lecture is being sponsored by the Graduate Council of the University.

Dr. Osgood was born in Louth, England in 1900. He received his A.M. and his B.S. at St. Andrews University in Scotland. In 1927 Chicago University granted him a M.S. and in the same year the Ph.D. was conferred upon him by the Cambridge University.

He came to the United States in 1925 and was naturalized in 1940. He has been an assistant physics lecturer at St. Andrews University, done research work and lectured at Manchester University, associate professor at Toledo University, and professor and head of the department of physics and astronomy at Michigan State College.

Seniors and all alumni of the University were recently mailed copies of the constitution of the Bowling Green State University Alumni Association, Pres. Ralph W. McDonald has announced. The constitution is printed in the Winter 1957 Issue of the Bowling Green State University Magazine.

## AWS To Elect New Officers Tomorrow

Women will choose AWS officers for 1957-58 at an election Wednesday, March 20, from 8 a.m. to 5 p.m. in the recreation hall, stated Shirley Merritt, president. All women may vote by presenting their activity card at the voting booth.

The candidates for officers are as follows: president—Janet Dick and June Fritsch; second vice-president—Annette Aufderhaar, Linda Gee, and Shirley Ralston; recording secretary—Mary Larsen, Sue Rautine, and Mary Ann Sockrider; corresponding secretary—Judy Beatty, Carol McEwen, and Maureen Rooney; treasurer—Joan Baker and Rachel Yeasting; senior representative—Barbara Bick, Christine Skodlar, and Barbara Young; junior representative—Mary Anderson, Mary Jo Aufderheide, and Mardelle Payne; and sophomore representative—Ann Browder and Mary McCallister.

Seniors on Legislative Board were members of the nominating committee. The Legislative Board will work as election officials.

The installation of the newly elected officers has been tentatively scheduled for April 3.

## Council Submits School Budgets

The Inter-University Council, composed of the six state schools, recently attended a hearing of the Finance Committee of the Ohio State Legislature to present their budget for the coming biennium.

Dr. Ralph W. McDonald, who is president of the Council, presented the budgets to the committee and urged their acceptance on the basis of three major points.

Dr. McDonald pointed out the increases in the enrollment at all of the state schools of Ohio and the expected increases which will take place in the future.

He also stressed that all items used by the schools from utilities to laboratory equipment have been steadily rising in cost.

The Finance Committee was also urged to accept the budgets which would permit the salary scale of faculty members at the various institutions to be raised.

The Inter-University Council is composed of Bowling Green, Ohio State, Ohio University, Miami, Kent State, and Central State College.

Seniors and February Graduates of the University, who are automatically members of the association, will receive a ballot for the approval of the constitution and the nominations for members of the Board of Directors around April 1, he added.

The senior class members will be asked to nominate members of their group as directors of the new association. The nominees who may either be June or February graduates, will be selected by virtue of the four highest tallies on the first balloting. The four names will then be placed on a ballot which will be mailed to all seniors for their selection of the two directors on the board, which will be composed of 31 members.

### Committee

The proposed draft of the constitution was completed on Feb. 2 of this year by the Committee on Alumni Organization and Relationships. This committee is composed of: Brad Greenberg '56; Jackie Gibbons '54; Kenneth Krouse '50; Arlene Lindahl '45; Forrest Smith '39; and F. Eugene Beatty '38; as alumni members. Dr. Frank J. Prout, president-emeritus of the University, was chairman of the group. Florence Currier, dean of women; Dr. Ralph G. Harshman, vice-president; Dr. Lloyd A. Helms, secretary of the faculty; and Dr. Elden T. Smith, director of Student Life and Services, served as faculty members on the committee.

The proposed constitution was transmitted to Dr. McDonald and the Board of Trustees of the University on Feb. 5 and the Association was formally recognized by the trustees on Feb. 8.

On March 18, the differences between the Bowling Green State University Alumni Association Inc. and the group striving to create a new organization were remedied when a special committee of the former group proposed that this group be dissolved in favor of the new group. The motion was passed by the Alumni Council of the incorporated group.

### Schedule

The schedule for the association has been announced as April 1, ballots for approval of constitution and nomination ballots to be mailed to all alumni; April 20, constitution and nomination ballots to be canvassed; May 10, ballots for election of directors to be canvassed; June 8, Alumni Day; first annual meeting of alumni association; organization of the board of directors.

This constitution lays the foundation of an organization "to stimulate and maintain the interest of the alumni in the progress of the University, and to preserve and further the feeling of loyalty and fellowship between the institution and its graduates and former students."

The proposed constitution contains 12 sections, in order: name, membership, purpose, board of directors, elections, officers, functions of the board of directors, finances, meetings, Bowling Green State University Alumni Association, Inc., amendments, and establishment of association.

## Four Students Appear Before Student Court

Four students appeared in Student Court Wednesday, March 13, for parking violations. Ron Mainous and Roger Mather appealed cases and were found not guilty.

Norman Nunamaker was found guilty of his third parking violation and fined \$5. His car privileges were suspended for one week.

John Smith was found guilty of his second offense with the fine suspended because of extenuating circumstances.

Students who sell or change cars will be provided with new registration stickers at no extra cost, according to William J. Hohrs, director of safety.

# Pitchpikes Cut First Recording For Mercury

By JOAN HONKALA

Special from New York. At exactly 6 p.m. tonight the Pitchpikes will cut their first recording for a major company. The quartet recently signed a contract with Mercury Records, and was asked to go to New York this week end to cut two sides of a record. The names of the songs will be released following the recording.

Tom Garmhausen, Ed Janeway, Dick Meredith, Glen Vogel, and their manager, Gene Davis, left Bowling Green at 2 a.m. Sunday for New York. They were driving a new Cadillac which they delivered in New York. The quartet rehearsed with the Mercury orchestra Sunday afternoon and all day Monday.

The Pitchpikes began singing together at the beginning of this school year but didn't really get to be well known until they performed at the first all-campus Variety Show in November. "The reception to the Pitchpikes at this time was enthusiastic and stir-

Photo by Shriver

**NEW YORK BOUND!** The Pitchpikes, left to right, Dick Meredith, Glen Vogel, Ed Janeway, and, front center, Tom Garmhausen, traveled to New York this week end to cut a recording for Mercury Records.

ring," declared Davis. The group then began making regular appearances at the Grotto and at other civic groups in the area.

They won a \$50 and a \$100 bond on WSPD's "Star of the Week" program in December and January. Their next television ap-

pearance was on Tom Haley's show in Cleveland. He offered them a job, but they had to decline since it would have interfered with their schooling.

Cleveland disc jockey Phil McLean also took an interest in them and personally financed the cutting of audition records which were sent to recording companies and personalities in show business.

Another fan of the Pitchpikes is KYW's Joe Tanksi in Cleveland who calls the group "one of the best modern quartets I have ever heard."

Garmhausen, who sings baritone, is a math major from Lima. Tenor Vogel is from Rudolph and in business, as is Janeway who sings bass. He is from Monroe, Mich. Meredith, the lead, is a phys ed major from Kinsman. Garmhausen is the only senior in the group.

"The potential is great in New York, and perhaps this will be the opportunity they need to get on a nationwide TV program," Davis said.

This may be just the beginning for the Pitchpikes.

## Editorially Speaking

### "No New Gods . . ."

It has been said of this college generation that we have "no new gods in our pantheons." Meaning, we take it, that we are the "conservative or silent generation" and that we are not adopting new ideas and thoughts as rapidly or with as much conviction as our predecessors have been known to do.

Actually this is not, contrary to many beliefs, a surprising situation. College students of two decades ago were faced with an imminent war of world-wide nature. They had just come out of the depths of the greatest economic depression ever known in this country. Due to these factors, our society was in a state of flux.

We, as today's college students and potential graduates, sometimes forget the fortunate position which we enjoy. Twenty years ago, graduates of a university might have a rather difficult time securing employment and in finding a wide field in which to develop their talents and at the same time make a decent wage.

Today, each graduate of this University will have his choice of several jobs, a decent wage, and a sizable promise of growth within his chosen field.

Thus, do we really need "new gods in our pantheons?" Do we need to question our present position, our contemporary society, and today's basic economy? Of course, all of society at one time or another needs to hold itself up to the light and to examine the foundations on which it is built and the creeds which it holds to be unquestionable. But let us not rush this scrutinizing.

In a time of prosperity such as we are now enjoying and with the outlook to the future which we can now visualize, perhaps we can rightly be "conservative and silent."

The day may come when it will be necessary for us because of social pressures, changes in politics, fluctuations in our economy, or other happenings of consequence, to seek new leaders, to bind ourselves to new ideas, and become rather radical in our viewpoints.

But, while we are in a time of peace, not only politically but also socially and economically, perhaps it is best to sit back and enjoy what may not be here to enjoy in the days to come.

## Service Called Keystone Of Alpha Phi Omega

Services is the keystone of Alpha Phi Omega, men's service group. The goals of A Phi O, which received its charter on May 23, 1948, are service to the student body and faculty; service to the nation as participating citizens; service to the community; and service to fellow fraternity brothers.

The present advisers, who also counseled the pioneer organization, are Daniel J. Crowley, professor of graphic arts; Robert E. McKay, student financial aid counselor; Dr. J. Russell Coffey, professor of health and physical education; and Dr. Gilbert Cooke, professor of business administration.

A Phi O sponsors several service projects throughout the year, one of these being the used book exchange. This serves the student by buying and selling any textbooks which may be needed. The book exchange is located next to the recreation hall in the basement of the Administration Bldg.

Another of Alpha Phi Omega's many service projects is the coat check booth which is in operation for almost every dance and campus event. There is no charge for this, but a student may make a contribution if he wishes.

These donations go directly into the Student Loan Fund, which makes small loans to students who need money in a hurry. The loans run up to \$60, and are to be repaid in 60 days.

Twice and sometimes three times a year, A Phi O sponsors the Red Cross Bloodmobile. The fraternity does the publicity work, the soliciting, hands out the forms, and assists the Bloodmobile people in handling the equipment the day they come to campus.

Alpha Phi Omega also does all of the stuffing of envelopes and mailing for the Wood County Easter Seal Campaign.

Before every vacation, A Phi O sponsors a program of reduced rates for students living in far away cities. Students usually pay less than the normal rates by taking advantage of this service.

Officers of Alpha Phi Omega are Sheldon Rabb, president; Dick Dassel, first vice-president; Evan Urhammer, second vice-president; Lucio Son, secretary; Don Katz, treasurer; and Dale Haven, historian.

### Prof To Be Consultant

Dr. Norman O. Simpkins, instructor in sociology, will travel to the University of North Carolina March 20-22 to be a research consultant in the Annual Working Conference of the School of Public Health.

Dr. Simpkins will participate in the program as an expert in community organization and will take part in planning the community organization research for public health purposes.

## Notes and Comments

### A Need For Campus Art Seen; On Pledges and Bermuda Shorts

By HERB MOSKOWITZ

In front of Wisconsin's Bascom Hall is a statue of Abraham Lincoln, who, according to tradition is supposed to stand up every time a coed, still a sweet young thing, passes by. Abe still has yet to stand, but the statue serves as a tradition and adds to the cultural growth of the students. At Cornell, student groups vie with one another to paint clothes on the statue of the University founder and at Smith, Amherst and Bennington there are several pieces of sculpture that also serves these two purposes. At Bowling Green we have an Administration Bldg., and an empty circle, used occasionally for bursts of spirit by an anonymous group; but we have no major works of art.

I think that some well formed piece of bronze would add something to the campus. There must be someone in the area that would like to donate a statue of one of their old relatives. It wouldn't be a bad idea if someone would hang examples of student art work on the second floor of the "Big Building." It would certainly brighten the place up!

It's almost Spring and already young men's fancies are turning to such things as painting pledges, splashing cars with paint, burning signs, "borrowing" bells, and weird hair cuts. Of course all of this is merely to vent the winter long inhibitions. As long as it doesn't get out of hand its collegiate. Shades of F. Scott Fitzgerald; Undoubtedly, we are preparing ourselves for the goldfish swallowing, the marathon dancers and the painted slickers which no doubt are being readied for a revival.

Random thoughts while listening to Ella Fitzgerald: There isn't one live, stuffed or painted falcon on the campus . . . Progress can only go so far . . . why did anyone have to rip up the last two holes on the golf course? . . . a person who tries to be too "shoe" is considered by members of the Ivy League as a "galoshia" . . . one of the best squelches I've heard in a long time is "Oh you're so talented, do you think too?" . . . Recommend reading Salinger's "Catcher in the Rye." . . . Now that the weather is turning warmer why won't some of the women's groups consider changing the rules regarding Bermuda shorts. Every other school throughout the nation allows women to wear them to class . . . the men should pick one day during the Spring to wear them as a display of sympathy for the women . . . certainly the shorts won't impair the girl's learning power . . .

### Preliminary Plans Completed For Unit

The preliminary plans for the new fraternity housing unit to be located east of the present Fraternity Row have been completed and approved according to Dr. Ralph W. McDonald. The firm has now begun drawing up the working plans for the structure.

The unit, which will house approximately 740 men, will be built of the type of brick used on the University Union and the stone used in Alice Prout Hall.

The University hopes to let the contract on the construction of this new unit, estimated at a cost of \$2,350,000 by June of this year so that the first buildings will be ready for occupancy by September, 1958.

The University is planning to provide each fraternity with a set of plans of the new unit, Dr. McDonald stated.

### The B-G News Bowling Green State University

The official University newspaper published in the eyes and interests of the student body every Tuesday and Friday, except during vacation periods, by Bowling Green State University students at Bowling Green, Ohio.

Deadlines are Tuesdays and Fridays at 1:30 p.m.

Subscription rates are four dollars a year and two dollars a semester.

### Tryouts For Comedies Set For Tomorrow

Tryouts for a bill of three comedies have been announced for March 20, from 7 to 10 p.m. in Gate Theatre, by Dr. Frank L. Miesle, assistant professor of speech.

The three plays are: "The Devil and Daniel Webster," by Stephen Vincent Benet, directed by Thomas Edie; "The Flattering Word," by George Kelley, directed by Phylliss O'Reilly; and "Moonshine," by Arthur Hopkins, directed by Joseph Gall.

Seventeen men and six women are needed for the three comedies.

### Official Announcements

Girls interested in acting as counselors in women's residence halls next year should contact their head residents as soon as possible. If they are now living in residence halls. Those living in a sorority house should come to the office of the dean of women.

All who qualify by interview for attending the six meetings of the Counselor Training Course will be advised of the time and place of these meetings, and final selection of counselors will be made before the end of school from those who have attended the course.

The film, "The DuPont Story," will be shown at a meeting of the Chemical Journal Club Wednesday, March 20, at 7:30 p.m. in 140 Overman Hall.

Graduation announcements will be ready for sale around March 25.

### University To Hold Spring Conference For Local Teachers

The fifth annual Spring Conference for High School Business Teachers and Students will be held at the University on Saturday, March 23, Dr. Galen Stutsman, chairman of the department of business education, said today.

The one-day conference will open with talks by two men from the field of business. Douglas Udey of the Rossford Depot will explain the opportunities in Civil Service open to business students. John R. Hale of the Toledo Blade will describe the newly formed Junior Division of the National Office Management Association. The Junior Division is an organization for high ranking high school business students.

An IBM Electric Typing Workshop will be conducted for business teachers following the talks. Miss Betty Funk, industrial demonstrator for IBM, will present the approved and most effective way to teach electric typewriting.

A luncheon at the Charles Restaurant is planned for visiting teachers. High school students will eat lunch with student members of the department in various campus dining halls.

### Interview Schedule

March 27

Federal Reserve Bank of Cleveland. Interviewer, D. Keenan. Accountants.

March 28

East Ohio Gas Co., Cleveland. Interviewer, E. Rogers, and Evelyn Winkles. Accountants, sales, and home economics.

Chevrolet-Detroit Gear and Axle. Interviewer, Richard McIlvride. Liberal arts and business administration for a training program.

Ford Motor Co., Detroit. Interviewer, T. P. Hopkins. Graduates for accounting and finance positions.

March 29

Ortho-Pharmaceutical Corp. of New Jersey. Interviewer, Paul Williams. Sales in pharmaceutical, biology, or business majors.

General Fireproofing Co. of Youngstown. Interviewer, Paul E. Williams. Graduates in business administration who are interested in sales.

New Department, General Motors Corp., Sandusky. Interviewer, A. Sennish. Liberal arts and business administration graduates for administration. Accountants and secretaries, and a training program.

### FASTER, FASTER!

Pick up your paper every morning and what do you read? "CRISIS IN HIGHER EDUCATION." That's what you read. "ENROLLMENT SPIRALLING UPWARD—DESPERATE NEED FOR MORE CLASSROOMS, MORE TEACHERS." But classrooms, alas, do not spring up like mushrooms, nor teachers like mayflies. So what must we do while we build more classrooms, train more teachers? We must get better use out of the classrooms and teachers we now have. That's what we must do.

This column, normally a vehicle of good-humored foolery, of joy that wrinkled care derides, of laughter holding both his sides, will today forsake levity to examine the crisis in higher education. My sponsors, the makers of Philip Morris Cigarettes, as Bonnie a bunch of tycoons as you will see in a month of Sundays, have given cheerful consent to this departure. Oh, splendid chaps they are, the makers of Philip Morris! Oh, darlin' types they are, fond of home, mother, porridge, the Constitution, and country fiddling! Twinkly and engaging they are, jaunty and sociable, roguish and winsome, as full of joy, as packed with pleasure, as brimming with natural goodness, as loaded with felicity as the cigarettes they bring you in two convenient sizes—regular in the handy snap-open pack, and new long-size in a crushproof flip-top box—both available at moderate cost from your favorite tobacconist. Light one now. Light either end. No filter cigarette can make that statement.

Let us then, with the gracious connivance of the makers of Philip Morris—Oh, splendid chaps! Oh, gracious connivers!—take up the terribly vexing question of how we can turn out more graduates with campus facilities as they now exist.

The answer can be given in one word: *speedup!* Speed up the educational process. Streamline courses. Eliminate frills. Sharpen. Shorten. Quicken.

Following is a list of courses with suggested methods to speed up each one.

PHYSICS—Eliminate slow neutrons.

PSYCH LAB—Tilt the mazes downhill. The white mice will run much faster.

ENGINEERING—Make slide rules half as long.

MUSIC—Change all tempo to allegro. (A collateral benefit to be gained from this suggestion is that once you speed up waltz time, campus proms will all be over by 10 p.m. With students going home so early, romance will languish and marriage counselors can be transferred to the buildings and grounds department. Also, housing now used for married students can be returned to the school of animal husbandry.)

ALGEBRA—If "x" always equals 24, much time-consuming computation can be eliminated.

LANGUAGES—Teach all language courses in English.

DENTISTRY—Skip baby teeth. They fall out anyhow.

POETRY—Amalgamate the classics. Like this:

*Hail to thee, blithe spirit  
Shoot if you must this old gray head  
You ain't nothin' but a hound dog  
Smiling the boy fell dead.*

You see how simple it is? Perhaps you have some speedup ideas of your own. If so, I'll thank you to keep them to yourselves.

© Max Shulman, 1957

The makers of Philip Morris have no interest in any speedup. We age our fine tobacco slow and easy. And that's the way it smokes—slow and easy—a natural smoke.

# Netters, Linksmen Gird For New Year

In most college sports circles this time of the year may rightly be termed a "lull before the storm." Except for indoor track, sports action is now relatively at a standstill.

Come the first two weeks of April, though, and things will change as the Falcons' baseball, track, golf, and tennis teams leave their respective barriers. Tentative schedules for the various spring sports have been drawn up and are awaiting final approval by the University's athletic council. These schedules will be available for publication next week.

One change has been noted in the coaching ranks. Forrest Creason will handle the reins of the golf team replacing Don Cunningham who will devote all of his time to the office of publicity director.

Four lettermen greeted Coach Creason at the opening of practice. Gary Hallett, Jack Luedemann, Dave Steinen, all juniors, and senior Ed Brideau were members of last year's golf team which drove and putted to BG's first Mid-American Conference golf

## Two Frosh Impressive In Toledo Swim Meet

Two Bowling Green freshmen swimmers, Ray Martin and Howard Scarborough, compiled two firsts, three seconds, one third and one fourth in the annual Glass City Swim Championships in Toledo last weekend.

Martin captured the firsts in the 220-yard freestyle and 100-yard backstroke events. Martin also placed third in the 50-yard freestyle.

Scarborough garnered seconds in the 50 and 100-yard freestyles, and the 200-yard individual medley. He also was fourth in the 220-yard freestyle.

# College Baseball Grads Do Good; Roberts, 'Klu', Dark, Adcock Cited

By EVAN URHAMMER

College baseball players don't make good professionals. If the major leagues had to depend on college talent, the caliber of ball would be on a down grade. Those statements have been pursuing professional baseball players for years—but statistics prove differently.

All told, 82 of the 400 major league baseball players in 1956 are college men.

Take Robin Roberts, considered to be the top pitcher in the game today. The Philadelphia Phillie control artist was signed off the Michigan State campus for \$25,000.

Another college player who has become one of the big leagues' baseball stars is the Cincinnati Reds' slugging first baseman, Ted Kluszewski. Big Klu was an ex-football star of the Indiana Hoosiers.

A few more famous names in the game include the following: Joe Adcock of Louisiana State and first baseman for Milwaukee; Alvin Dark, New York Giant shortstop, also from LSU, and Frank Baumhals, Philadelphia outfielder from Ohio University.

Larry Doby attended Long Island University. Ralph Kiner, now retired, hit home runs for the University of California before going on to break National League records. Detroit Tiger shortstop Harvey Kuenn played for Wisconsin.

Last year's National League Rookie-of-the-Year award went to Wally Moon, ex-Texas Aggie standout. Jackie Robinson starred for UCLA's Bruins in baseball and football. Al Rosen played the infield for Miami, Fla.'s, Hurricanes.

crown. In match play last spring, the Falcon linksmen posted a 5-5 record.

Sophomores Jim Bernicke, Ron Reich, and Joe Ungvary along with Mike Polonus and Dan Gagnor, a transfer from Ohio University, round out the team. Missing via graduation are Don Kepler and Gene Burner. In addition Bob Blayz has left school and entered the service.

According to tennis coach Bob Keefe, Western Michigan and Miami are still the teams to beat in the MAC tennis wars. Both schools placed ahead of the Falcon netters in MAC play last year.

Coach Keefe has lost his No. 1 and 2 punch, Ron Fulgenzi and Dave Young, through graduation. Returning lettermen are Dean Bacon, Ed Wahl, Dewayne Smith, Tom Crow, and Jerry Kramer. Also, John Maloy is a returnee from last year's squad. Up from the freshman squad and showing promise is Dick Abele.

Waiting for warmer weather, the Falcon netmen are currently practicing indoors. Sometime before the season's opener, each squad member will play against the other to determine the No. 1, and No. 2, etc. players.

Anyone who is interested in becoming a candidate for the University's golf team, freshman or varsity, is urged to see golf coach Forrest Creason, room 200 men's gym.

LITTLE MAN ON CAMPUS

by Dick Bibler

## Maniaci, PiKA Cop 2 Intramural Titles

Winners in the all-campus table-tennis singles and tandem swim relays, along with the handball and water polo champs, were decided last week in intramural play.

Tony Maniaci whipped Norm Casaceli, best two-out-of-three games, for the table-tennis singles crown. Bill Lyons won the all-campus handball tournament after defeating Al Rava in the final two matches last week.

In the tandem swim relays, Theta Chi combined with Gamma Phi Beta to edge the Delta Tau Delta and Delta Gamma swimmers, 14-11, for top honors. The tandem relay team of Phi Delta Theta and Chi Omega placed third with nine points.

All-campus water polo champ is Pi Kappa Alpha. The Pikes triumphed over Theta Chi, 3-2, in a single-elimination tournament for the championship.

## Registration Starts For Women's HPE Courses

Only three days remain to register for women's physical education classes for the fourth nine-week period. Registration which began March 11 will close Friday.

Instruction for enrolling are: 1) Obtain slip from present instructor; 2) Take it to the stockroom in the Women's Bldg.; 3) Choose a new class. The new courses will begin the first week of April.

The stockroom is open from 8 a.m. to 5:30 p.m. Monday through Thursday, and 8 a.m. to 1:30 p.m. on Friday.

The courses to be taught during the nine-week period are: tennis, golf, swimming, softball, tap dance, archery, badminton, soccer and speedball, body mechanics, recreational games, folk and square dancing, modern dance, synchronized swimming, volleyball, bait casting, rollerskating, sailing and riding.

# Weather, Few Lettermen Hurt Diamond Prospects

By ROG DAVIS

Despite the cold, blustery March winds, Coach Warren Steller has ordered some forty varsity baseball team candidates to take the field and loosen up in preparation for the fast-approaching season opener.

On April 5 Steller will begin his thirty-third season as coach when the Falcons host Findlay in the first game.

With less than three weeks until the bell rings the coach is still evaluating the candidates. The weather has hampered the team's practice and consequently delayed some of Steller's decisions.

Somewhere Steller must find eight men to play with Jerry Schoonover. The Falcons lost nine lettermen from last year's team by graduation, and one to the pro ranks.

### Graduation Blues

Gone are hard-hitting Fred Hansen and three-letter winners Bill Carlson, Dick Johoske, and Glen Matter, as well as pitcher Don Purvis, now of the New York Yankees' organization.

The entire infield is gone, too, but this does not bring excessive dismay to Steller, for a weak inner defense was instrumental in the Falcons losing 10 of 14 games, four of them by more than 10 runs, and including the especially sorrowful finale to Western Michigan, 25-4, last year.

### Schoonover Returns

Schoonover, who hit .450 last season, will be valuable at first base or in the outfield, and Larry Morrison, .182, and Paul Dienstberger are returning, but after that?

Steller doesn't expect any help from Wayne Schake, who was a promising shortstop, but now is bothered by a bad arm.

Noncommittal to the very end, the coach is waiting for warmer weather to break and looking for eight good ballplayers.

All-American Al Bianchi holds 10 of Bowling Green's 14 Mid-American Conference records.

## 3 Lowry Teams Among Leaders

Five teams lead the tournament after the third week of play in women's basketball intramurals. The teams with three wins and no losses are the "Court Ladies" of Lowry, Lowry's "Dunk 'Em Dames," Treadway III, the "PBR's," and the "Naughty Nine" of Lowry.

In the Monday league, Kappa Delta forfeited to Prout and the "Court Ladies" defeated Alpha Xi Delta, 22-19. High scorer for the winners was Pat Zbell with 12 points while Sally Caskey had nine for Alpha Xi.

On Tuesday, Lowry's "Dunk 'Em Dames" defeated the "Fog's Forces" of Treadway, 32-5. Joyce Hafer had 13 points for Lowry. Treadway III defeated Alpha Phi by a score of 20-17. Martha Meyers scored 12 points for the winners and Jan Fenwick had the same number for the losers. Jackie Blough scored seven points to lead the "Hotshots" of Treadway to a 15-7 victory over Delta Gamma.

The "Naughty Nine" of Lowry scored a 20-14 win over Chi Omega to maintain their lead in the Wednesday league. Gladys Greismer of Lowry scored eight points while Ann Winterbotham had six for the losers. Jan Black scored 22 points as the "Pogo Pushers" defeated the Harmon Frosh, 35-11. Lowry forfeited to Delta Zeta to round out action in the league.

# Sticklers!

**ASTRONOMERS!** Long sunsets make you impatient? Do you hate standing around, twirling your telescope, waiting for dark? Cheer up . . . now you can fill that gap! Take out your Luckies—and you're in for a *Twilight Highlight!* Luckies are out of this world when it comes to taste. That's because a Lucky is all cigarette . . . nothing but fine, mild, naturally good-tasting tobacco that's TOASTED to taste even better. Light up a Lucky yourself. You'll say it's the best-tasting cigarette you ever smoked!

## STUCK FOR DOUGH? START STICKLING! MAKE \$25

We'll pay \$25 for every Sticker we print—and for hundreds more that never got used! So start Stickling—they're so easy you can think of dozens in seconds! Stickers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (Don't do drawings.) Send 'em all with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, N. Y.

## For Men Only . . .

Have you got a big date this week?

After a pleasant evening at any campus function or a downtown show, appetites are bound to sharpen . . . Come to the Dairy Bar . . .

Open every day except Sunday 7:30 a.m. - 11 p.m.

ONE of the many acts which appeared in the all-campus Variety Show Sunday afternoon was the "Hi-Fi's", composed of members of Phi Mu sorority. The show, which featured campus talent, was sponsored by Pi Kappa Alpha fraternity to raise funds for the informal Nest dances.

## Giles To Be Speaker At Pre-Med Meeting

A regular meeting of Alpha Epsilon Delta, pre-medical science honor society, will be held Thursday, March 21, in room 400 Moseley Hall at 7:15 p.m.

Dr. Fredrick Giles of the physics department will be the guest speaker for the evening and a movie will be shown.

Membership will be closed after the first meeting in April. All those who wish to become local members are urged to attend.

Invitations will be sent out soon for national membership and election of next year's officers will follow initiation of new members.

## Radio Station Presents Public Service Programs

WBGU, the University's FM radio station, is currently presenting a series of recorded public service programs Monday through Friday at 5:15 p.m.

The Veterans Administration presents popular recording artists each Monday. Tuesday, the United States Air Force band fills the 15-minute spot. "Proudly We Hail," a drama, is aired each Wednesday.

The Treasury Department is host each Thursday with popular artists of the music world. Friday, the Navy Band is featured.

## Newmanites Sponsor 6 Marriage Lectures

A marriage preparation course is currently being sponsored by the Newman Club, according to Tony D'Erme, president of the club. The series of six lectures began March 17 and will continue for the next three Sundays.

The schedule includes: Medical Aspects and Conception and Pregnancy, March 24; Adjustments in Marriage and Moral Aspects, March 31; and Economic Preparation and Home, Church and School, April 7.

The first lecture is given at 2 p.m. and the second at 3:45 p.m. at the Newman Club. There is no charge for admission.

The course is offered about every three years and speakers are experts in their respective fields, D'Erme stated.

## Films To Be Shown

Slides of the St. Lawrence River Valley program will be shown at the next meeting of the Geography Club, according to Robert Krause, president.

The meeting will be held Thursday, March 21, in 300 Library at 7 p.m.

## Pins to Pans

Pinned

Barbara Kuss, Alpha Gamma Delta, to Dick Markle, Sig Ep alum; Ann Browder, Alpha Xi Delta pledge, to Dick Henningsin, Phi Kappa Tau; Rusti Morris, Alpha Xi, to Lee Foster, Theta Chi; Carolyn Calderwood to Gary Gold- enbogen, Sigma Alpha Epsilon; Sue Collins, Harmon Hall, to Bruce Pinover, Pi Kappa Alpha; and Cora Lundstrom to Charles Mantel, Delta Epsilon.

Engaged

Jo Winters, Alpha Xi, to John Hays, General Motors Institute, Flint, Mich.; Sharon Rose to James Schimmoller, SAE; and Sue Hertlein to Eugene Carl, PiKA.

## Spanish Club Plans Pan-American Day For Area Students

El Circulo Hispanico, University Spanish club, will present a Pan-American Day for high school students in the northwestern Ohio area April 9, according to Linda Wipior, president.

The program will include six events of interest, she stated. The first will be a display of Spanish-American art and crafts under the direction of Mrs. Robert E. Stinson, Dorothy Tucker, and Robert Hume.

A Pan-American display will be presented by Ruth Carlson, Carol Baum, and Prof. Florence E. Baird of the Spanish department. Joy White, Barbara Cachrane, and Robert E. Stinson of the art department will be in charge of a Spanish art exhibit.

The club will also present a one-act play in the main auditorium as a feature of the day.

## Lenten Services Held

Lenten Services are being sponsored by Gamma Delta, Lutheran Society, every Monday at 7:15 p.m. Pastor Pasche, of the Concordia Lutheran Church of Toledo, will deliver the messages every week during the lent season.

## Friendship Photos

## Math Honorary Holds Initiation For Twelve

Ten mathematics students and ed into Kappa Mu Epsilon, mathematics, March 13, according to Fred Metz, president.

New student members are Virgil Beam, Donna Decker, Maryann Kloppe, Lauren Mast, Sandra Osmon, Gilbert Pierce, Angelo Panagiotou, Carol Ann Portmann, Roger Sage, and Bill Fankhauser.

Faculty members of the mathematics department who were initiated are Dr. Bernard H. Gundlach and William G. Spohn Jr.

Mr. Spohn gave a talk on "Some Fundamentals of the Geometry of Numbers and an Application to Simultaneous Approximation through the Solution of an External Problem."

Committees were appointed for selection of students to receive awards on Honor Day, Metz added.

## Two Dormitories Hold Party Dinners

Students eating in Williams Hall have initiated a program of having one dinner-party a month. An evening meal is set aside for the occasion, according to Robert Hanahan, head resident.

Residents of Williams Hall and Alice Prout Hall attend the dinner in dress-up attire. After the social chairman of each dormitory have planned a theme, the dining room is decorated with the theme in mind. Previous themes have been George Washington's birthday and St. Patrick's Day.

Hanahan says the program was initiated to add color and atmosphere to the dining program. He related that other dining halls have monthly dinner parties, but Williams is setting the style of having dress-up and party style affairs.

## 3 Pledge Classes Elect Officers

Chi Omega's pledge class officers are Sandra J. Barker, president; Peggy Dreschel, social chairman; Katherine R. Waite, treasurer; Mary Lee Lucas, secretary; and Alice M. Saba, housechairman.

Dorothy A. Jahn was awarded the Chi Omega rotating activities bracelet for her work during March as finance chairman of Grotto and treasurer of the Lutheran Students Association.

Officers of the Phi Kappa Psi pledge class are Farrell Hamill, president; Barry Cobb, vice-president; and Paul Harris, secretary-treasurer.

Phi Officers

Officers of the Alpha Phi spring pledge class are: Dona Rae Whit-

taker, president; Jane Kemp, vice-president; Roberta Hause, secretary; Dianne Dick, treasurer; Anne McLellan, scholarship chairman; Phyllis Wiles, chaplain; Carolyn Klein, music chairman; and Beth Taylor, historian.

Alpha Gamma Delta gave its new pledges an after-hours party, Saturday, March 9, and a breakfast Sunday. The chapter then attended church. A "Nest party" Monday, March 11, climaxed the round of weekend pledge events.

Dinner Guests

Dinner guests at the Phi Kappa Tau house Sunday, March 10, were Dr. and Mrs. Ralph W. McDonald, and two alums and their wives.

Kappa Delta held its second yearly scholarship dinner Wednesday, March 13. Winners were awarded with steak while the losers were served chili.

Alpha Phi and Pi Kappa Alpha held an exchange dinner Thursday, March 14. Decorations followed a St. Patrick's Day theme.

Seniors Honored

Senior members of Alpha Phi were honored at a dinner Monday, March 11, by the alum members at the home of Mrs. Esther Dickey, adviser. Slides were shown by Mrs. James Overman of her recent trip to Florida.

Delta Zeta sorority had an exchange dinner with Phi Delta Theta on Wednesday, March 13.

Alpha Gamma Delta and Zeta Beta Tau held an exchange dinner Wednesday, March 13.

## Director To Speak

Mr. John Allen, personnel director of the Central Foundry in Defiance, will be the guest speaker for the Society for Advancement of Management at its next meeting Thursday, March 21, at 7:30 p.m. in the Fine Arts Auditorium.

Mr. Allen will show a film on production and give a short talk on the training program in his plant.

Refreshments will be served.

## Bridge Club Offers Tournament Practice

All teams planning to enter the Alpha Gamma Delta All-Campus Bridge Tournament are reminded that an opportunity for team practice in duplicate bridge is available at Bridge Club. The Club will meet Thursday, March 21, at 7 p.m. in the Elementary Gym, according to William Opie, president.

At the last meeting of the group, Mary Lou Knight was elected secretary-treasurer. Winners at this meeting were Ron Sellers and Pat Moran, first; and Lee Dannick and Charles Mantel, second. Awards will be presented to these winners at this week's meeting.

## Prof Displays Work

Charles J. Lakofsky, associate professor of art, is among 124 enamellists and ceramists displaying art work at the 14th annual invitational exhibition of ceramic art at Scripps College, Claremont, Calif. The show opens Wednesday, March 20 and ends April 11.

## What's it like to be AN IBM SALESMAN?

Selling to management is perhaps the best training for management, and it's the reason Gene McGrew joined IBM. Today, he possesses a thorough practical Business Administration education, responsibility, an excellent income—all at age 27. Read about an unusual career.

You're Gene McGrew... high school footballer and class officer. You won a scholarship and went through Princeton in the top third of your class... managed varsity track... commanded an artillery battery in Korea... "When you put a lot of preparation into your career," Gene McGrew feels, "you should expect a lot of opportunity in return."

### Meets IBM representative

Out of the Army in 1953, Gene met an IBM representative. It sounded like opportunity. A few interviews later, Gene was sure. Although sales was only one of the many jobs he felt he could handle, this kind of selling—(IBM machines are as much an idea as a product)—promised to occupy every talent he possessed. Besides, he's learned that "no other form of training produces so many top business managers."

Gene outlines programming test

Then began a 13 months' training program marked by merit salary increases. First—3 months' schooling and observing operations in Pittsburgh (Gene's hometown). Next—2 months' studying the applications of IBM's electronic data processing machines in business, science, government, and defense. Followed by 7 months' practical training in the field, with customer contact. Followed by IBM's famous course in selling methods. Finally, assignment to a sales territory near Pittsburgh, responsible for about 14 companies and their executives who used IBM equipment, and a dozen or so more who were logical prospects for it.

### Makes first sale

Gene's first sale, to a bank, required thorough study; consultations; a written recommendation. The climax came, Gene remembers, when he submitted his analysis to the vice president and received that gentleman's signature.

Discussing customers installation

Gene's latest sale was to a large industrial corporation. He's now preparing this customer for the installation of an IBM electronic system designed to simplify financial procedure; inventory and other systems problems. At 27, Gene finds himself top man on an important account. He's educator, salesman, administrator.

How would Gene define selling? "We feel the best way to sell is to be able to consult. The best way to consult is to know something of value your customer doesn't. IBM's 'something of value' is profit through automation."

Gene's thoughts on competition: "The entire Office Machine Industry feels the lead pencil is the biggest competitor. You've no idea how many time-consuming clerical jobs can be mechanized, thus freeing people for important, creative jobs. IBM's success in the field is due to service, knowledge, 'know-how'."

Does Gene find his youth a handicap?

"It's what you know—not how old you are—that counts. I deal with executives twice my age on a basis of

equality, because they respect my training and my business judgment."

### Future wide open

"I'm getting married soon, and I was amazed to realize how much security IBM's growth (sales have doubled on the average every five years since 1930) and benefits represent. But I think my real security lies in the chance to use my own ability fully and freely. There are nearly 200 Branch Managerships, 15 District Managerships and executive positions in 5 other divisions ahead of me. IBM is introducing new machines, systems and concepts so fast that, every Monday, we have a 'new idea' meeting just to keep up."

IBM hopes this message will give you some idea of what it's like to be a salesman at IBM. There are equal opportunities for E.E.'s, I.E.'s, M.E.'s, physicists, mathematicians, and Liberal Arts majors in IBM's many divisions—Research, Product Development, Manufacturing En-

Checking out new client's system

gineering, Sales and Technical Service. Why not drop in and discuss IBM with your Placement Director? He can supply our brochure and tell you when IBM will interview on your campus. Meanwhile, our Manager of College Relations, Mr. P. H. Bradley, will be happy to answer your questions. Write him at IBM, Room 9401, 590 Madison Ave., New York 22, N. Y.
